

president & founder

Dr. Julius "Jim" Kaseman is Founder and President of the Association of Faith Churches and Ministers (AFCM). He is a graduate of the charter class of RHEMA Bible Training Center in Broken Arrow, Oklahoma.

Dr. Kaseman holds ministerial credentials with AFCM, RHEMA Ministerial Association International, and is a member of the Fellowship of Inner City Word of Faith Ministries. A Doctor of Divinity Degree was conferred upon him in 1994.

Jim and Kathleen Kaseman founded AFCMITC when the Lord directed them to train the body of Christ for the purpose of taking the Word of Faith to the Nations.

leadership

Founded by Jim and Kathleen Kaseman, ITC is overseen by a dedicated office staff and a very hands-on board of advisors consisting of a variety of AFCM Ministers with a broad level of experience.

A network of in-country directors is also being established to facilitate the growth and management of ITC from nation to nation.

testimony

We marvel as we watch a student's life change because of the anointed, Spirit-led teaching of the AFCMITC instructors. The Bible School has changed our church and is one of the most effective courses in equipping the saints for service. It serves as a great outreach tool when students from other churches graduate and are excited about taking the Word of Faith and teaching it wherever they go.

The students continue to be a great inspiration to us by their enthusiasm, excitement, and anticipation about each class.

We thank God and thank you, Jim and Kathleen, for being obedient and making the AFCMITC available to the churches and taking the Word of Faith to the nations.

the vision

It is the responsibility of the local church to disciple believers and train future leaders, thus expanding its influence. It is the desire of AFCMITC to assist our churches in this endeavor and fulfill the Great Commission to make disciples of all nations.

hosting a school

AFCMITC courses are designed to build a Biblical foundation and provide a disciplined structure to rightly dividing the Word of God. Students will receive instruction in principles of faith/biblical studies, as well as training for five-fold ministry.

AFCM ITC is presented in 57 courses packaged in six modules. After the completion of each module, students will receive a "Certificate of Completion." After the completion of Level One (Modules 1-3), students will receive a diploma. Level One must be completed before enrolling in Level Two.

After the completion of Level Two, students will receive a second diploma and may be eligible for licensing through AFCM, provided they meet all the necessary requirements.

Host schools set their own tuition fees to offset the cost of the school.

school licensing fees

Our goal is for every AFCM church to have a school if that is their desire. We would love to give this training to everyone for free. The reality is producing and distributing hundreds of hours of courses costs money. We have **significantly reduced** the cost of the school and will continue to look for the most cost effective ways to deliver this incredible teaching to you.

A one time, non-refundable application fee of \$50 is due with your application form. Once your school is approved, you will be notified and the balance for Module 1 will be due.

Each module includes approximately eight (8) courses with 65-84 total hours of teaching.
